6.	<b>Description of content:</b> The Environmental Protection Agency (EPA) hereby announces its final cancellation order for the cancellations and amendments to terminate uses voluntarily requested by the registrants and accepted by the Agency, of the chlorpyrifos products listed, pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This final cancellation order follows a notice in the Federal Register of 15 July 2024, that announced EPA's receipt of and sought comments on requests from the registrants listed to voluntarily cancel or amend these product registrations. In the 15 July 2024, notice, EPA indicated that it would issue a final cancellation order implementing the requests, unless the Agency received substantive comments within the comment period that would merit further review of these requests, or unless the registrants withdrew their requests. The Agency received one comment on the notice, which is summarized. The registrants did not withdraw their requests for these voluntary cancellations and amendments. Accordingly, EPA hereby grants the requested cancellations and amendments to terminate uses as shown in this cancellation order. Any distribution, sale, or use of existing stocks of the products listed are subject to the existing stocks provisions in this cancellation order and permitted only in accordance with the terms of this order.
