NOTIFICATION

Addendum

The following communication, received on 9 January 2025, is being circulated at the request of the Delegation of the United States of America.

Food Contact Notifications That Are No Longer Effective; Notice

The Food and Drug Administration (FDA or we) is announcing its determination that the Food Contact Notifications (FCNs) listed in this notice are no longer effective. Several manufacturers notified FDA in writing that they ceased producing, supplying, or using the listed food contact substances (FCSs) for their intended use in the United States. We are taking this action in accordance with the process set out in our regulations, by which FDA may determine that an FCN is no longer effective.

DATES:

Applicable date: This determination for the FCNs listed in table 1 and table 2 is effective 6 January 2025.

Compliance date: 30 June 2025, is the compliance date for the FCSs listed in table 2 that were produced, supplied, or used by the manufacturer or supplier prior to the effective date of this determination.
