Committee on Sanitary and Phytosanitary Measures

Original: English

NOTIFICATION

Corrigendum

The following communication, received on 20 January 2025, is being circulated at the request of the Delegation of Ukraine.

Resolution of the Cabinet of Ministers of Ukraine No. 1301 "On Amendments to Certain Resolutions of the Cabinet of Ministers of Ukraine Concerning the Implementation of Official Control Measures" of 15 November 2024

In item 6 (Description of content) of notification G/SPS/N/UKR/230 of 22 November 2024 the paragraphs:

- "• The List of Goods, approved by Resolution No. 960, specifies that veterinary and sanitary control of veterinary products in the form of preliminary documentary control is not conducted;
- The List of Documents, approved by Resolution No. 960, specifies that only electronic (scanned) copies of documents, bearing a qualified electronic signature of the declarant or their authorized representative, based on a qualified electronic signature certificate, will be accepted;"

should be replaced with the following text:

- "• The List of Goods, approved by the Resolution No. 960, specifies that preliminary documentary control shall not be applied to veterinary preparations subject to veterinary and sanitary control;
- The List of Documents approved by the Resolution No. 960 is intended exclusively for preliminary documentary control conducted by customs authorities. The Resolution stipulates that electronic (scanned) copies of documents bearing a qualified electronic signature of the declarant or their authorized representative, based on a qualified electronic signature certificate, will be accepted by customs authorities. For goods subject to official control measures and imported into the customs territory of Ukraine, regardless of the form in which such measures are implemented, the provisions established by the laws of Ukraine, namely "On Veterinary Medicine", "On Plant Quarantine", and "On State Control over Compliance with Legislation on Food, Feed, By-products of Animal Origin, Animal Health and Welfare", shall continue to apply. In accordance with these laws, such goods must be accompanied by originals of the relevant international certificates;"

This aims to improve the clarity of the descriptive information outlined in the notification.
