Original: English/French

NOTIFICATION

Addendum

The following communication, received on 16 April 2025, is being circulated at the request of the Delegation of Canada.

D-22-03 Phytosanitary requirements for the importation and domestic movement of grapevine material for propagation or decorative use as fresh cut vines

This communication serves to inform Members that the phytosanitary requirements, previously notified in [G/SPS/CAN/1506](#) (dated 16 May 2023), entered into force effective 16 April 2025. Import requirements for grapevine material have been updated in CFIA's *Automated Import Reference System (AIRS)* (<https://inspection.canada.ca/en/importing-food-plants-animals/airs>). Permits to import issued prior to the entry into force of the requirements will not be amended and previous additional declarations will continue to be accepted by CFIA throughout the validity period of the permit.

Effective immediately, directive D-94-34: Import requirements for grapevine propagative material is repealed.
