NOTIFICATION

Addendum

The following communication, received on 10 April 2026, is being circulated at the request of the Delegation of Australia.

Pomelo fruit from Viet Nam: Biosecurity import requirements final report

Import conditions for Viet Nam pomelos published on BICON

Import conditions to import fresh pomelo fruit from Viet Nam, for human consumption, are now published on Australia's Biosecurity Import Conditions database (BICON).

To achieve the appropriate level of protection for Australia, fresh pomelos from Viet Nam must:

1. be produced under a systems approach at approved and registered orchards and packing houses to manage Asian citrus psyllid and citrus canker, and
2. undergo pre-export irradiation treatment at an approved facility to manage quarantine fruit flies, mealybugs, scale insects and false spider mite.

Details are available on the department's website, <https://www.agriculture.gov.au/biosecurity-trade/import/industry-advice/2026/53-2026>.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable.

Agency or authority designated to handle comments: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:
