NOTIFICATION

Corrigendum

The following communication, received on 9 September 2026, is being circulated at the request of the Delegation of Switzerland.

Ordinance on additives in food stuff

In document G/SPS/N/CHE/85/Add.1, circulated on 3 July 2026, the paragraph concerning titanium dioxide (E 171) was included inadvertently and should be disregarded.

The references to titanium dioxide (E 171) were carried over in error from the original notification G/SPS/N/CHE/85. No changes relating to titanium dioxide (E 171) were introduced by the amendment notified in G/SPS/N/CHE/85/Add.1.

The notified amendment concerns only the updating of provisions on permitted additives in various food categories and on carrier substances.
