NOTIFICATION

Addendum

The following communication, received on 25 August 2017, is being circulated at the request of the Delegation of the Russian Federation.

Letter of the Federal Service for Veterinary and Phytosanitary Surveillance

The common list of plant quarantine objects within the territory of the Eurasian Economic Union which has entered into force since 1 July 2017 does not contain 57 quarantine objects, previously included in the list of quarantine objects, approved by Decree of the Ministry of Agriculture of the Russian Federation as of 15 December 2014 No. 501. The territory of the Russian Federation is free from the mentioned quarantine objects and in this respect the letter of the Federal Service for Veterinary and Phytosanitary Surveillance introduces additional list of quarantine objects for the Russian Federation (see http://members.wto.org/crnattachments/2017/SPS/RUS/17_3781_00_x.pdf).
