6. Description of content: Interministerial Ordinance n° 701, 31 August 2015, regarding a monetary update on registration and GMP certification fees related to health products in Brazil. This Ordinance promoted a monetary update on registration and GMP certification fees related to health products in Brazil. It was necessary once the values of ANVISA's fees were obsolete since its creation in 1999, with accumulated losses of 193.5% according to Brazilian official inflation rate. So it is considered not to be a tribute increase, but a currency value reconstitution.
