NOTIFICATION

Addendum

The following communication, received on 15 July 2020, is being circulated at the request of the Delegation of the United States of America.

Food Additives Permitted for Direct Addition to Food for Human Consumption; Vitamin D2 Mushroom Powder; Final Rule

The Food and Drug Administration (FDA or we) is amending the food additive regulations to provide for the safe use of vitamin D2 mushroom powder as a nutrient supplement in specific food categories. This action is in response to a petition filed by Oakshire Naturals, LP.

This rule is effective 13 July 2020.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): 12 August 2020 - Submit either electronic or written objections and requests for a hearing on the final rule by 12 August 2020.

Agency or authority designated to handle comments: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

Submit electronic objections in the following way:

- Federal eRulemaking Portal: <https://www.regulations.gov>. Follow the instructions for submitting comments. Objections submitted electronically, including attachments, to <https://www.regulations.gov> will be posted to the docket unchanged. Because your objection will be made public, you are solely responsible for ensuring that your objection does not include any confidential information that you or a third party may not wish to be posted, such as medical information, your or anyone else's Social Security number, or confidential business information, such as a

manufacturing process. Please note that if you include your name, contact information, or other information that identifies you in the body of your objection, that information will be posted on <https://www.regulations.gov>.
