NOTIFICATION

Addendum

The following communication, received on 9 February 2021, is being circulated at the request of the Delegation of the European Union.

Maximum levels of acrylamide in certain food stuffs for infants and young children

The European Union wishes to inform trade partners that the proposal notified in G/SPS/N/EU/405 (6 August 2020) as draft Commission Regulation (EU) amending Regulation (EC) No 1881/2006 as regards maximum levels of acrylamide in certain food stuffs for infants and young children was withdrawn.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

Agency or authority designated to handle comments: National Notification Authority, National Enquiry Point. Address, fax number and e-mail address (if available) of other body:

European Commission
