Committee on Sanitary and Phytosanitary Measures

Original: English

NOTIFICATION

Addendum

The following communication, received on 17 August 2021, is being circulated at the request of the Delegation of the United Kingdom.

The Phytosanitary Conditions (Amendment) Regulations 2021

G/SPS/N/GBR/7, distributed on 7 April 2021, notified the introduction of measures against pests *Agilus bilineatus* and *Neocerambyx raddei* and the re-instating in-effect of a derogation, as referenced in the Commission Decision (EU) 2002/499/EC, in respect to bonsai plants from the Republic of Korea. The measures entered into force on 22 June 2021.

A further amendment is being made that clarifies the application of the measures notified in G/SPS/N/GBR/7 concerning the import of bonsai plants from the Republic of Korea, limiting this to between 1 November and 31 March of every year, as was originally intended. The full text of the measure is provided as an attachment with an explanatory footnote on page 8 indicating the amendment that is to be made. This change will be introduced via the legislation notified in G/SPS/N/GBR/8 (PH/026 Pest Measures) which will be adopted on 21 October 2021.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): 31 August 2021
