Committee on Sanitary and Phytosanitary Measures

Original: English

NOTIFICATION

Addendum

The following communication, received on 13 September 2021, is being circulated at the request of the Delegation of Ukraine.

Draft Order of the Ministry of Health of Ukraine, On approval of amendments to the food safety indicators "Maximum residue limits (levels) of veterinary active substances in foodstuffs of animal origin"

This addendum concerns the modification of the measure's validity period.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other: The measure will be effective from the date of its official publication and will be valid until 1 May 2022.

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): 10 days after circulation.

Agency or authority designated to handle comments: [X] National Notification Authority, [X] National Enquiry Point. Address, fax number and e-mail address (if available) of other body:
