6. Description of content: This draft Commission Implementing Regulation provides that the approval of the active substance captan is renewed with restriction to uses in greenhouses, in accordance with Regulation (EC) No 1107/2009. Member States shall amend/withdraw authorisations for plant protection products containing captan as an active substance. The restricted renewal of approval is based on the first evaluation of the substance for use as a pesticide active substance in the European Union under Regulation (EC) No 1107/2009. The substance was formerly assessed and approved under Directive 91/414/EEC. This decision only concerns the placing on the market of this substance and plant protection products containing it. Separate action will likely be taken on MRLs and a separate notification will be made in accordance with SPS procedures. This draft Commission Implementing Regulation was also notified under the TBT Agreement in notice G/TBT/N/EU/928.
