NOTIFICATION

Addendum

The following communication, received on 21 October 2022, is being circulated at the request of the Delegation of Canada.

D-10-01: General phytosanitary requirements for fresh pepper and tomato fruit imported from the world - 3rd Revision

This communication serves to inform Members that the phytosanitary requirements, previously notified in G/SPS/N/CAN/927/Rev.1 (dated 5 August 2021), entered into force effective 19 October 2022. For a period of 30 days following the effective date of this directive, the CFIA will accept the previous additional declarations indicated in the 2nd revision. As of 18 November 2022 only the additional declarations indicated in the 3rd revision of the directive will be accepted.

Changes to the list of countries approved to export fresh pepper and tomato fruit take effect immediately. Consignments destined to Canada that were correctly certified and exported prior to the entry into force of the revised phytosanitary requirements will be permitted entry.

This addendum concerns a:

- Modification of final date for comments
- Notification of adoption, publication or entry into force of regulation
- Modification of content and/or scope of previously notified draft regulation
- Withdrawal of proposed regulation
- Change in proposed date of adoption, publication or date of entry into force
- Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable
