- 6. **Description of content:** The preparations specified in this Act were initially authorised for a period of ten years as feed additives for all animal species by Commission Implementing Regulation (EU) No 1263/2011. Several applications were submitted for the renewal of this authorisation. Further to the favorable assessment by the European Food Safety Authority, the authorisation of these preparations is renewed, subject to certain conditions. A transition period is laid down for the interested parties to prepare themselves to meet the new requirements resulting from the authorisation.
