NOTIFICATION

Corrigendum

The following communication, received on 29 July 2024, is being circulated at the request of the Delegation of the European Union.

Commission Implementing Regulation (EU) 2024/2020 of 26 July 2024 amending and correcting Annex III to Implementing Regulation (EU) 2020/2235 as regards model certificates for the entry into the Union of consignments of certain categories of animals and certain products of animal origin intended for human consumption and correcting Implementing Regulation (EU) 2024/399 (Text with EEA relevance) (OJ L 2024/5196, 29 July 2024)

This Implementing Regulation amends three model certificates (model 'EU-FISH', model 'FISH-MOL-CAP' and model 'MOL-HC') of Annex III to Implementing Regulation (EU) 2020/2235 by adding a new public health attestation reflecting the provisions laid down in Delegated Regulation (EU) 2023/905 as regards the application of the prohibition of use of certain antimicrobial medicinal products in animals or products of animal origin exported from third countries to the Union, and corrects one model certificate (model 'NZ-TRANSIT-SG') of Annex III to Implementing Regulation (EU) 2020/2235 by deletion of the attestation concerned, erroneously added thereto by Implementing Regulation (EU) 2024/399.
