Committee on Sanitary and Phytosanitary Measures

Original: English

NOTIFICATION

Addendum

The following communication, received on 16 October 2024, is being circulated at the request of the Delegation of the European Union.

Maximum residue levels for fosetyl, potassium phosphonates and disodium phosphonate in or on certain products

The proposal notified in G/SPS/N/EU/698 (24 November 2023) is now adopted by Commission Regulation (EU) 2024/2619 of 8 October 2024 amending Annexes II and III to Regulation (EC) No 396/2005 of the European Parliament and of the Council as regards maximum residue levels for fosetyl, potassium phosphonates and disodium phosphonate in or on certain products (Text with EEA relevance).

Some changes were made to correct clerical mistakes to the MRLs for durians and parsnips, as the LOQ for durians was incorrect (2* mg/kg instead of 1.5* mg/kg) and the MRL value proposed by EFSA for parsnips (6 mg/kg) which was missing.

The Regulation shall apply from 29 April 2025.

This addendum concerns a:

- ☐ Modification of final date for comments
- ☒ Notification of adoption, publication or entry into force of regulation
- ☐ Modification of content and/or scope of previously notified draft regulation
- ☐ Withdrawal of proposed regulation
- ☐ Change in proposed date of adoption, publication or date of entry into force
- ☐ Other:

Comment period: (If the addendum extends the scope of the previously notified measure in terms of products and/or potentially affected Members, a new deadline for receipt of comments should be provided, normally of at least 60 calendar days. Under other circumstances, such as extension of originally announced final date for comments, the comment period provided in the addendum may vary.)

- ☐ Sixty days from the date of circulation of the addendum to the notification and/or (dd/mm/yy): Not applicable

Agency or authority designated to handle comments: ☒ National Notification Authority, ☒ National Enquiry Point. Address, fax number and e-mail address (if available) of other body:
